MORALE OF CREWS:

All crews are healthy and are staying positive.

INJURIES:

KY crew had one employee experience poison oak that is spreading. He went to the clinic for treatment. Had an issue over payment. CRWB with assistance from Deborah Walker, filled out a C-2 in E-Safety. Employee does not have health insurance and has no method for payment. Clinic would not accept payment from purchasing agent (Deborah), stating that it would be insurance fraud to accept payment for an OWCP claim. The clinic would accept a CA-16. Tried to get the form from ASC, but they are closed on the weekends and their "Emergency Contact Number" has been discontinued. After many discussions with various people, Deborah contacted Ben who was in Comps Claims on an incident and he agreed to provide a CA-16, which he faxed to the clinic. Employee was treated and was given a Rx and is available for work. The CA-2 will need to be changed to a CA-1 on Monday when ASC is open. A BIG THANKS TO DEBORAH FOR RESOLVING THIS ISSUE.

MESSAGE:

Paul and Dennis working together on the Trinity side. Deborah will stay with NC crew in McCloud.
